The Beaumont Art League appreciates all of our members, past and present. Our annual Fall membership drive has begun for the year October 2012 through September 2013. The Beaumont Art League is a non-profit organization, and depends on your support through membership to continue supplying venues showcasing local artists, classes, workshops, and children's programs. If you are a collector or an art aficionado, you can find a home at the Beaumont Art League. We have artwork for sale and exhibits eleven months out of the year.

The BAL has two major art galleries; the Brown Gallery and the Scurlock Gallery, a large studio, and a main office. **All exhibitions and receptions are free to the public.**

**We hope you will continue to support the Beaumont Art League.  
BAL is a community of art lovers and a great place to meet and make new friends!**
